

® VALLEY FORGE

CUSTOM FLAGS • BANNERS • ACCESSORIES

How we make your first impression a lasting one:

Valley Forge leads the way in the printing of premier quality custom flags and banners.

We obtain uniquely deep, rich, authentic colors and precision imaging by applying exclusive printing and finishing processes to the highest quality fabrics available. We maintain the highest standard for achieving the best penetration in the industry.

In our South Carolina facility, we utilize rotary, flatbed and digital printing direct to fabric to fulfill your custom flag and banner orders for promotions, point of sale displays and visual merchandising.

Flag size and quantity determine the printing method

High Speed Rotary Printing

- Acid-dye on nylon
- Pigment process on polyester and poly cotton
- Disperse dye on polyester
- Cost effective printing with outstanding color for high volume runs

Flatbed Screen Printing

- Acid-dye on nylon
- Pigment process on polyester and poly cotton
- Disperse dye on polyester
- Cost effective printing with brilliant, lasting color and durability for medium to high volume runs

Digital Direct to Fabric

ECONOMY BLADE & TEARDROP POLE

- Our Economy Blade & Teardrop Pole is made of fiberglass and is our best value
- It provides you the ability to use any size blade flag or teardrop flag since sections of the pole can be removed to accommodate any size flag you would like to display
- We recommend taking your flag and pole inside during high winds or extreme temperature changes to extend the life of your flag and pole
- This pole is great for short term or temporary use
- Each pole comes with a storage case
- A rounded base is included to provide stability for the pole
- A fiberglass ground spike is included with the pole
